Village Hall Access & Hire Periods of Time

Full Village Hall booking: Community Room + Main Hall
Term times: Available all day Saturday & Sunday and from 6pm Monday-Friday.
Term breaks: Available weekdays and weekends year round.

Village Hall Community Room
Available weekdays and weekends year round.

Bookings relate to specific rooms, days and times hired. Hire periods must be booked to allow enough time for all setting up before an event and then to allow enough time to clear away any furniture, equipment and any spot cleaning required.

Access is controlled by key that is locked in an external keysafe. This allows access to the building and then to an internal key box where keys are provided for accessible areas within the Community Room and Main Hall. During School term time, there is strictly no access to the Main Hall from the Community Room. Access outside of your booked times will not be possible without prior agreement, and then only as part of your agreed booking. You will be given a unique code to access the external keysafe. Your code will be emailed to the email address provided on the booking form normally one week before your booked date. If you are not an email user, please state whether you would like to receive the code by text message or by phone in the email section of the form. The same code will be required to secure the key back into the keysafe on final exit. Your code should be considered confidential.
Keys must not be removed from their labelled keyrings and must not be removed from the premises. All internal doors must be locked on final exit, even if they were open or unlocked when you arrived. Where keys have not been provided for access to certain cupboards and/or areas then these areas are to be considered out of bounds.

As the Village Hall shares the site with St Aldhelm's Primary School, anybody wishing to smoke during School term times Monday – Friday until 6pm will have to do so off of the premises, including the car park.

For bookings outside of these times, a wall mounted cigarette bin is located by the Village Hall Main Entrance. Smokers are requested to smoke away from the door and ensure that all litter is disposed of properly.

Clean As You Go

Doulting Village Hall is a Hirer clean-as-you-go facility. This allows us to offer fantastic hourly rates. A full armoury of cleaning equipment is located in the rear lobby area and cupboard and also the kitchenette cupboard.

It is important that once you have used the facility that all equipment is returned to its original location and that all areas are left clean and tidy and fit for immediate reuse by other hirers, groups, and the School.

• It is okay to load the dishwasher and start a wash cycle before you lock up. Dishwasher tablets are in the cupboard to the right of the dishwasher.

• Spare toilet rolls are in the rear lobby cleaning cupboard out by the WCs. There is normally one spare roll in each toilet but they are there if you need them.

• Refuse sacks are normally available within the kitchenette (under the sink). Hirers may use these for refuse. Please don't leave food waste in the kitchenette bin! Between the VH main entrance and the School entrance there are two large waste bins. One for general waste and one for card & paper. If they are not outside then they will be behind the black metal gate – the key for which is in the internal key box in the Community Room.
